between Thirty-first and Thirty-third
streets and Eighth and Ninth avenues.
The joint commission met with Post-Out of the 132 ungraded or mentally defective children, refracted by the suwere procured, thirty-four were found

to be normal mentally after relieving their eye strain and giving them vision, and more than 65 per cent, showed decided mental strain and proper cent, showed decided mental strain and more than 65 per cent, showed decided mental strain and annual architectures. The joint commission met with Post-master-General Hays and the four Assistant Postmas ers-General to consider solution of New York's postal difficulties. OPTOMETRISTS AT BANQUAT.

Four Years in Autumn. The American Optometric Asset To The New York Herald: I would country is criminal. The only compensation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation we can offer to posterity is important to you would kindly sation with a banquet at the Waldorf. State John L. Lyon of this number procured the glasses with a banquet at the Waldorf. State John L. Lyon of this number procured the glasses with a banquet at the Waldorf. State John L. Lyon of this number procured the glasses with a banquet at the Waldorf. State John L. Lyon of this numbe

on a scale which will keep America first in the industrial warfare which is to follow the coming of peace and the return of the world to a normal state.

WATER POWER LEAGUE OF AMERICA, Inc. FREDERICK L. LONG, Secretary.

Did You Wake?

A wind crept home in his stocking feet When the hour was late and wee. But though he wanted to be discreet He stepped on a squeaky tree.
